

**PROTECT LIBERIAN
IMMIGRATION STATUS NOW!**

**Please extend Deferred Enforced
Departure for Liberians and support
permanent resident status legislation.**

The Liberian Refugee Immigration
Fairness Act, S. 656 and H.R. 1293,
will allow eligible Liberians living in
the United States to apply for lawful
permanent resident status.

Dear President Obama:

In 1989, a brutal civil war erupted in Liberia. Many Liberians looked to the United States for peace and safety. After 20 years of "temporary" safe haven, the United States is the place many Liberians call "home." Liberians have become part of our society. They serve as pastors, teachers, and health-care professionals. Many have children who were born in this country. But now, after nearly two decades, Liberian **"temporary" status expires on September 30, 2011.**

To ask Liberians to leave after nearly twenty years of legally residing in the U.S. would mean uprooting families, interrupting careers, and abandoning homes.

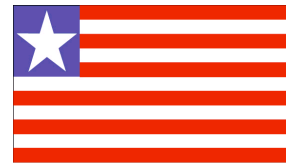

**Please act today to extend Deferred Enforced
Departure for Liberians.**

Sincerely,
